

Funding and Incentives

As partners in economic development, the City of Fort Dodge, Webster County, and the state of Iowa have the ability to assemble aggressive funding and incentives assistance packages.

Funding awards and incentives assistance are considered on a case-by-case basis and can be offered in the following forms:

- Local Tax Abatements
- Tax Increment Financing
- Direct Financial Assistance
- Tax Credits
- Tax Refunds
- Job Training Funding

Funding and incentive packages have been strategically designed to provide flexibility to meet the needs of projects.

Funding and incentive award decisions are based on projected job creation and capital investment levels and are customized for each request.
